I was visiting family so I didn't get to spend much time with the host but I would happily repeat the experience or recommend it to others. The room was charming, quiet and comfortable with good through ventilation, allowing for excellent sleep. Thank you, Rita!

Rita is a lovely host, very friendly and welcoming. We stayed in the Little Lighthouse room which is up a spiral staircase and we found it a bit tricky to get a large suitcase up them! Qala is a lovely village but the buses can be a bit sporadic if they are doing roadworks (they also change the route if this is the case so check before you go or you may be waiting for a bus that never arrives). We had a lovely week and would definitely recommend Rita's lovely home. Thank you for welcoming us into your lovely home, it was a pleasure to stay with you. Maybe next time we could book the ground floor room if it is available as the stairs were a bit of a struggle. Many thanks Diane and Geoff x

We had an absolutely amazing time in Qala. The house is great and has everything you need. Rita is the best host ever, she was so lovely and help us with some tips about traveling around. I can't recommend this place more. Thank you Rita for a wonderful stay! It was an amazing week and we are hoping to come back soon (if we are able to travel again). Ivana & Matej

It was simply perfect for me :) A roof terrace for yoga in the morning (and an amazing view), pleasant silence in the room and always welcome for a chat with Rita on the terrace. Also a good location for walks and only 5 minutes to the bus. All in all a 10 star experience! One of the best Airbnb's I have stayed in so far - Rita is an incredible cool and easy going woman. Communication, check in and everything else went super smooth and uncomplicated. The room, bathroom and kitchen are equipped with everything you need to feel comfortable and welcome. We really enjoyed our stay and maybe I'll just come back next weekend!

La casa di Rita, che fa parte di un complesso residenziale di recente edificazione, ma rispettosa delle tradizioni locali (cosa non comune viste le deturpazioni ambientali perpretrate nelle località di mare più famose), si trova in un piccolo e quieto villaggio di Gozo, vicino a tutti i servizi necessari per potersi muoversi agevolmente nell'isola, o reperire quanto necessario per la vita quotidiana. E anche molto vicina al porto di Mgarr. Trovandosi in posizione leggermente rilevata, dalle terrazze si gode una piacevole vista sul paese e sul mare. L'abitazione è spaziosa e molto bella, calda e rilassante, con belle camere, spazi comuni ampi e piacevolmente arredati, oltre ad una piacevole piscina esterna (anche se non ne ho usufruito essendo andata in gennaio!). La consiglio vivamente!

Rita's space looks beautiful, extremely clean, and she's a great hostess, offering tips and suggestions. She handles the booking, check-in and stay in a very organized manner and it was all very smooth. She made us feel at home, always in a good mood. The room was nicely decorated, with the right amount of furniture and a very (VERY) comfortable bed - not to mention the great view! During Summer it must be great to spend some time by the pool or appreciating the terrace. I definitely recommend staying here! The house is close enough to the harbour (around 20 min walking, or 15 with the bus) and very close to a bus stop with buses to Victoria. Also with less than 10 minutes walking, you get to grocery stores and the centre of Qala, and within 5-10 minutes to some nice restaurants. We really appreciated Gozo for the amazing views, the hikes, biking trails, ruins and the overall feeling of the island. We spent 4 days there and it could have been more!

Rita was such a perfect host. Really easy to talk to, she gave us many recommendations about Gozo which was a big plus. The room was spacious and very clean, the terrace definitely won our hearts. We had beach towels, sun umbrellas and mats waiting for us in

the room too We got to use her perfectly well equipped kitchen where we cooked lock fish on her advice so ++++++ Thank you so much Rita ♥

Rita ist eine ausgezeichnete Gastgeberin. Sie ist sehr gastfreundlich und sorgt dafür, dass du einen schönen Urlaub hast. Ihr Haus ist wunderschön und liegt in einem ruhigen Teil des Dorfes. The Little Lighthouse hat alles, was man braucht, einschließlich eines sehr großen und komfortablen Bettes und eines schönen Badezimmers mit ausreichend warmem Wasser und Wasserdruck (und das ist nicht selbstverständlich auf Gozo!). Die nächste Bushaltestelle ist nur 5 Minuten entfernt und es gibt Supermärkte in der Nähe für Ihr frisches Brot und Lebensmittel. Qala hat einige Restaurants, die großartiges Essen anbieten. Die Desserts sind besonders köstlich! Auf der schönen Insel Gozo gibt es viele Dinge zu sehen und zu tun. Nach einem langen Tag voller Entdeckungen lädt der Swimmingpool von Rita zur Abkühlung ein. Die warmen Sommerabende können auf der Dachterrasse mit herrlichem Blick über Qala und das Meer verbracht werden. Alles in allem habe ich einen wunderschönen Urlaub bei Rita verbracht, 5 Sterne!!!

Not what we expected. "Qala" is a boring place, very quiet. You cant find a proper food there. The beach is nice, but its 25 minutes walking in the hot weather, not very pleasant. Nearest nice town Victoria is 30 minutes by bus and to go to Malta is nightmare. You have to catch a bus and then a ferry, then another bus. To Valleta it takes you 3-4 hours travelling one way, with over 40 stops. Its very tiring. The last bus is at 22:30 from the ferry. We havent felt very welcomed at the house as well. The bed is not very comfortable, and the shower wasnt working properly. The best thing to do is to go to "Blue Lagoon Beach" from the ferry, which is 10 Euro pro person just to get there and come back, but its very nice.

Sorry Georgi when you didn't find what you wanted. Villages on Gozo are not make for party people, for sure. But if you search nice and good restaurants, nice country side and special events in the summer you could enjoy your holiday here. Please let me know witch kind of equipment you were missing. It will be helpful for your holiday planing, to read all information and guides I have offered before carefully. It could be better to talk about when someting is wrong or missing during the stay as to talk about after the departure.

Wir hatten eine wunderschöne und super entspannte Zeit bei Rita auf Gozo! Schon bei der Planung der Anreise bot Rita uns ihre Hilfe an und organisierte uns ein Taxi direkt zu ihr. Sie hatte mit unserem nächtlichen Check-In überhaupt keine Probleme und war super freundlich und herzlich. Rita ist eine sehr angenehme Gastgeberin, die uns viel Freiraum geboten hat aber auch immer ansprechbar war und sehr gute Tipps rund um die Events der Insel auf Lager hatte. Die Unterkunft ist sehr sauber, die Zimmer sind freundlich und geschmackvoll eingerichtet. Im August war es natürlich sehr heiß, doch durch die beiden Fenster konnten wir in der Nacht gut durchlüften. Die Bushaltestelle ist nur ca. 5 Minuten von dem Haus entfernt und auch die Nähe zum Supermarkt und Zentrum von Qala sind ist sehr angenehm. Wir können Rita's charmantes Farmhaus wärmstens empfehlen und werden sicher wiederkommen!

Rita a été très réactive et très arrangeante lors de nos contacts. Elle sait prendre soin de ses invités. Concernant le logement, ou devrais-je dire « ce petit coin de paradis », vous trouverez un havre de paix avec une vue superbe sur Gozo et une piscine pour rafraîchir vos journées ensoleillées. Le village à deux pas avec toutes les commodités ainsi que l'arrêt de bus vous permettront de passer un agréable et inoubliable séjour sur l'île. Je recommande vivement Rita ! Merci pour tout!

Rita, Pour continuer de peaufiner votre français dans le cadre d'un prochain séjour en France, je vous mets une partie du commentaire en français. Cela exprimera davantage notre sentiment : FANTASTIQUE! Nous avons vraiment passé 4 jours formidables. Tout y était : les petites attentions, la qualité de l'accueil, la propreté, la piscine ... mais surtout votre gentillesse et bienveillance. C'était un réel plaisir de partager des instants avec vous. Now I'll try to speak in English.... we wanted to thank you warmly for the welcome! Too bad we can't stay longer (especially for the BBQ). Everything was great and we had a great time! We will definitely recommend you! Your accommodation is a real small paradise with a superb view and pool.

[English version below] Le logement chez Rita est conforme à la description, nous avons passé un formidable séjour dans cette maison en compagnie de Rita. À notre arrivée, serviette de plage, parasol et autres équipements de plage nous attendaient dans notre chambre. De plus nous sommes arrivés dans l'après-midi et n'avions pas le temps de faire des courses mais Rita avait tout prévu, un placard de survie avec des pâtes et du riz était à notre disposition. Il a été très agréable de discuter avec Rita et se baigner dans la piscine. Pour résumer, un logement et une hôte que je recommande. Rita's accommodation was as it was described, we spent wonderful days in that house with Rita. When we arrived, beach towels, umbrella and other beach equipments were in the room. Moreover we arrived in the afternoon and didn't have the time for errands but Rita had prepared a survey stock for us with pasta and rice. It was very nice to talk with Rita and swim in the pool. I recommand that host and her accomidation.

Très beau séjour à Qala. La maison est magnifique et Rita est une hôtesse agréable et discrète. Qala est une ville très très calme avec peu de divertissement. La maison est à 30mn de la plage et à 2h de la capitale. Idéal pour les personnes qui cherchent à se reposer.

Sorry I can\*t agree! Your problems to find my house based on language deficits. Normally now body have had problems if he takes the send link and the description. I got no thank of you for sending and paying the taxi driver to pick you up when you run around Qala.

Beautiful room with ensuite bathroom. Lots of privacy. The room is next to a nice roof terrace. Rita has a great eye for detail and puts in a lot of extra effort for her guests (such as beach accessoires that are free for use, recommendations for exploring and help with finding your way around the island). She makes you feel very welcome at her home, which is big and clean. During hot days I really enjoyed the pool! Qala is very quiet and close to beautiful beaches such as San Blas and Hondoq. All in all highly recommended. I would definitely stay here again.

Staying with Rita is a treat and delight and quite possibly the best airbnb experience I've ever had! Rita is a warm, fun and engaging host who shares her beautiful home with you. (Lots of privacy if you prefer that, too). My room had everything you could possibly ask for and more! Spacious, clean and beautiful with numerous little extras. And the pool was the cherry on the cake! Location is perfect to explore Gozo and Comino. A quick bus ride from the ferry and direct bus connection to Valetta. There is a beach in walking distance too. I'd give this 10 stars if I could. Thank you, Rita! I'll be back. :)

Really good price/quality ratio. Rita's house is located in a nice and quiet area of Qala not far from the sea side. The house is beautiful and fully-equipped, Rita offers tea and coffee + some cooking basics (oil, spices, etc). I would like to come back during summer and try the pool!

Rita's place is just perfect. I spent 5 nights in "little rose" in mid of march and felt like home from the very beginning. Everything was nicely decorated, the bed was absolutely comfy (no backache at all - which is not the usual!), the shower was hot (good in rather cold and stormy weather...), Rita is very nice to talk to - she makes you actually feel more like living in a shared flat than living at someone else's place. The kitchen is well equipped, the terrace nice and at times in the slipstream, so you could enjoy the sunshine though it was rather cold. The house itself is only a few minutes (maybe 5 or 6) away from the centre of Qala with the lovely "Zeppis bar", some restaurants and little supermarkets, the bus is only 3min walk away. You must climb up a little hill to get to the house but I reckon a visitor to Gozo / Qala does not mind a little hill every now and then ;-). "The fly in the ointment" / "Das Haar in der Suppe"? - I honestly do not know :-)

Rita's place is clean, spacious, and filled with useful amenities. The location is very quiet, and just a short walk from the town center, where you'll find nice restaurants, small supermarkets, and a pharmacy. Rita understands service. She pays attention to the details that will make your stay as comfortable as possible. And she makes you feel like you are truly welcome in her home, not just as a customer, but as a guest... and, perhaps, as a friend as well.

Gozo ist eine Reise wert und Ritas Unterkunft war genau richtig um das ruhige und echte maltesische Leben kennen zu lernen. Die Zimmerausstattung war top - neu und sehr sauber - gab es nichts zu beanstanden. Besonders das große und gemütliche Bett ist noch ein Lob wert! Alles in allem war das Preis-Leistungs-Verhältnis unschlagbar und das alles vor der traumhaften Kulisse von Gozo. Vielen Dank Rita!
